

[SeaSide Village Carrabelle, Florida](#)

SeaSide Village in Carrabelle, Florida is an **ALL GREEN** community under development with prices starting around \$159,000. This development is currently in the first phase and they have just finished 4 model homes showcasing the available floorplans. One of the most noticeable amenities in all of the floor plans are the spacious livingroom and kitchen areas. This all green community will also have a clubhouse and swimming pool area, and even a section dedicated the 55+ age group.

Below are the [virtual tours](#) for the available floorplans

- WaterSong (no tour available)
- [RiverRun Virtual Tour](#)
- [CarraBella Virtual Tour](#)
- [HarborLight Virtual Tour](#)
