

[St. Augustine, Florida Bed and Breakfast Inns](#)

I recently had the opportunity for some "travel work" to beautiful St. Augustine Florida. Out of all the places I've been recently, my wife and I have never been to St. Augustine until now. The [Westcott House](#) and [Bayfront Marin House](#) overlooking the bay in St. Augustine was the subject. These [Victorian Bed and Breakfast Inns](#) are just one of few bayfront inns in St. Augustine. The innkeepers here are remarkable, and will make your stay memorable.

Be sure to view the [Bayfront Marin House Fullscreen Virtual Tour](#) as well as the [Westcott House Fullscreen Virtual Tour](#)

And when (not if) you decide to stay... let them know you saw their fullscreen virtual tours online!
